ATR VERDICT: Commandment looked the sort to improve with time after winning her maiden at Hamilton last September and she could go close here, but preference is for MUMCAT. A winner over this trip at Wolverhampton and beaten less than a length when third at Lingfield, she makes her turf debut now for a stable in great form. Euracuillo is another to consider wearing a hood for the first time and with his jockey claiming 5lb from the saddle.

ATR VERDICT: With little worthwhile form to go on this may fall the way of a newcomer, with Charlie Appleby runners possibly dominating the finish. ONE NATION looks more suited to this trip as a son of Dubawi and he may be the stable first string, though Naval Power is not to be underestimated in what may yet be a battle between the pair. Alzahir is another to consider, though his pedigree suggests he might be better over further than this in time.

ATR VERDICT: In a contest full of horses with potential it may be sensible to side with HIGHLAND FROLIC, who caught the eye when third on his debut at Haydock despite a slow start. Running on close home, he pulled clear of the rest of the field and although stable companion Baltic Bird was one place ahead of him that day, jockey bookings suggest that may not be the case here. Naval College might hold off General Idea in the race for third, with The Queen owning both participants.

ATR VERDICT: Fast Forward got off the mark over 1m3f at Windsor earlier in the month, but a 6lb rise for that win has to be a concern. With that in mind, preference is for PURPLE REIGN, who put in a career best when finishing third off this mark at Wolverhampton last time and he may have more to offer today. Others to note are Thermometer, Rita Rana and The Writer.

ATR VERDICT: FLOWER OF THUNDER arrives here on the back of two victories in recent weeks and a 5lb penalty for the latest of those wins may not be enough to stop her from making it a hat-trick today. Pillars Of Earth is another recent winner who is likely to go well once again, while Voi edges out Good Regal to be best of the rest.

ATR VERDICT: Dandy Maestro arrives in excellent form with three wins from his last four races, but he needs a career best off this mark and may not be able to produce that on the softer ground. MR TRICK might be the value alternative off bottom-weight after winning narrowly over a furlong shorter when running on well at Haydock, with the step up to a mile expected to bring some improvement. Madame Peltier and Enough Already could prove to be the best of the rest.

Long Handicap: Chloellie 8 - 8

ATR VERDICT: Habanero Star did it well enough when winning over C&D last week, but she was only a length in front of CHLOELLIE that day and she meets that rival on 5lb worse terms here thanks to her penalty. That suggests the form could be turned around and with the Jenkins horses in good form, the seven-year-old appears the value call. Anglo Saxson is another of interest after a promising third at Brighton on his first start since arriving from Ireland and he could also go well.

Top Tip: CHLOELLIE (10)

Watch out for: HABANERO STAR (7)
